

PAINT BRANCH MONTESSORI SCHOOL 2012 SUMMER PROGRAM

Dear Families,

We are excited to present the PBMS 2012 Summer Program, for children 2 to 12 years old. The PBMS Summer Program will run from June 18, 2012 through August 17, 2012. We have nine themed weeks with many fun and stimulating activities for all participants. Please refer to the *Weekly Programs* for the list and details on each of our themed weeks.

The PBMS Summer Program Application must be submitted by April 10, 2012. Please include the \$50.00 non-refundable application fee and the \$100.00 non-refundable deposit with your application.

Children registered for the PBMS Summer Program, who are not currently enrolled in Paint Branch Montessori School, must have all the required forms on file with the school office by June 1, 2012. The school office will e-mail you all the necessary forms once your application has been submitted.

If you have any questions, please contact the school office at info@pbmontessori.com or 301-434-0373.

Regards,
Rebecca Guyot
Director of Admissions

WEEKLY PROGRAMS

Week One - June 18th -22th *VIP Week*

In our first week of the 2012 summer program, the focus will be on our very important people (our children). Some activities the children will participate in are self portraits, all about me collages and star cards. We will end the week by inviting family and friends to our very own Talent Show.

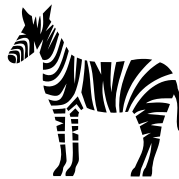

Week Two - June 25th - 29th *Zany Art Week*

Children will create lots of fun projects using all types of art materials such as paints, glue, clay, foam, felt, glitter, stickers, sand and much more. One of our parents, who is a professional artist, will come to work with the children on a special project. We will end the week

by inviting family and friends to our Art Exhibit where we will display the children's wonderful masterpieces.

Week Three - July 2th - 6th (Closed Wednesday 4th) *Amazing Animals*

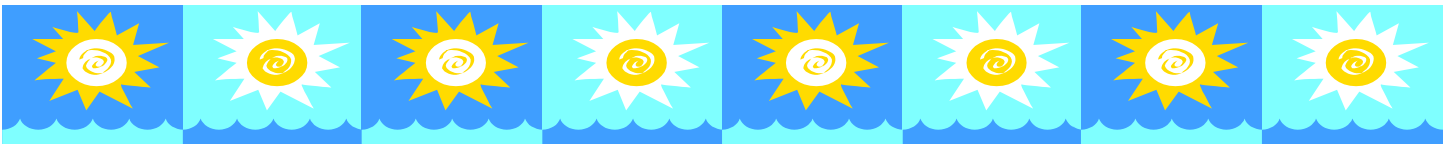

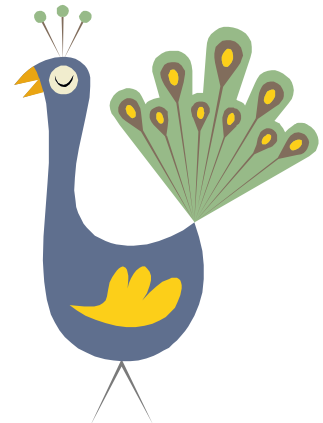

In this popular session, children will study many different animals. Children will learn about animal habitats, diets and many other interesting facts. Some fun crafts the children will make are antler headbands and marble painted zebras. Children will participate in an exciting *Animal Friends* workshop by *Mad Science*

Week Four - July 9th - 13th *Around The World In Five Days*

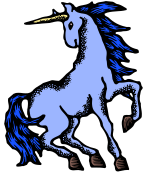

Children will spend the week learning about the many different cultures of the world. They will explore this through games, food, music, dancing and art. Children will learn which country the peacock is native to and will make a fun peacock craft. Children will celebrate *Hinamatsuri Day* a Japanese holiday which is known as "The Day of the Dolls".

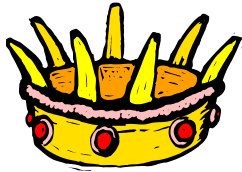

WEEKLY PROGRAMS

Week Five - July 16th - 20th *Fantasy Week*

This imaginative week will take the children to a magical time of fairies, dragons, knights, princess, unicorns and other enchanting creatures. Some of the crafts will include building cereal castles and making royal crowns.

Week Six - July 23rd - 27th *Things You Can Build*

Children will spend the week building different things using all types of materials such as popsicle sticks, sugar cubes, pipe cleaners, recycled materials, legos and blocks. Children

will participate in an instructional *Super Structures* workshop by *Mad Science*

Week Seven - July 30th - August 3rd *Adventure Week*

Children will spend each day going on a new adventure without even having to leave the school. Some of the exciting adventures will including camping day, backyard picnic day and beach day.

Week Eight - August 6th - 10th *Wonders of Science*

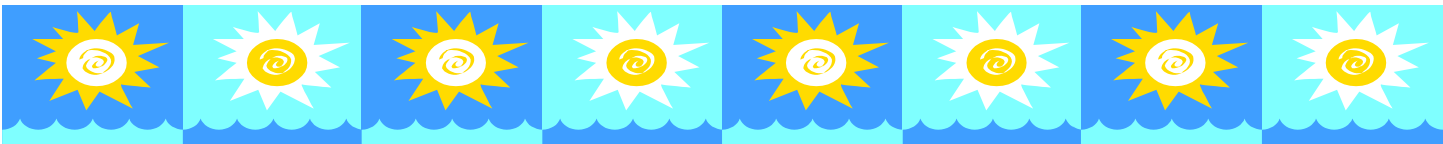

Children will conduct hands-on experiments to spark their curiosity about the wonders of the world. Some of the experi-

ments will include magic ice and creating slime. Children will participate in an stimulating *Mad Mixtures* workshop by *Mad Science*.

Week Nine - August 13th -17th *Celebrations Galore*

Children will learn about different holidays from around the world such as *Mardi Gras*, *Diwali*, *Onam*, *Tanabata* and *Flag Day*. Children will celebrate some of the traditions that are observed during these special days.
